

Donation for Wildfire Damage in Alberta

May 20, 2016

PRESS RELEASE

JX Nippon Oil & Gas Exploration Corporation (“JX Nippon”, President and CEO: Shunsaku Miyake) would like to express its heartfelt sympathy for those affected by the devastating wildfire broken out in Fort McMurray area of Alberta, Canada.

We hereby announce that our donation of 10,000 Canadian dollars will be made to the Canadian Red Cross to support the people suffered from the wildfire.

Although no damage has been reported to date on the employees and the facilities of Syncrude oil sands project in which JX Nippon participates, the production operation has been temporarily suspended to ensure employees' safety.
