## **Announcement of Organizational Change**

JX Nippon Oil & Gas Exploration Corporation (President and CEO, Hiroshi Hosoi) is pleased to announce the following organizational change.

### **1. Establishment of Department (as of April 1, 2020)**

Establishment of Digital Transformation Department

### **2. Background**

Since the establishment of “Digital Transformation Office” in April 2019, we have been collecting latest information of digital technology and promoting digital literacy and operational efficiency.

To accelerate this digital transformation more intensively, we have established “Digital Transformation Department” which possesses higher specialties and authority.

In addition, Digital Transformation Department will also incorporate existing IT unit which handles issues such as infrastructure, security etc. which is currently under General Administration Department.
